Dear Mr. Fremont-Smith,

Mr. Greg Pierce, the address of the enclosed letter telling him the New York Times "has no record of a book by Harold Weisberg called 'Photographic Whitewash'", sent it to me.

Here is one of the consequences of your discriminatory policy and attitude. It would feel better had I any reason to presume it was unintended.

Sincerely,

Harold Weisberg

P.S. If you keep books on what not to note, Canyon will soon bring out my OSWALD IN NEW ORLEANS.
